

# **Sanskara Filter for AI Projection Ethics**

*A Dharma-Aligned Framework for Future Intelligence*

Author: Vamsi Gonella

Date of Disclosure: 2025-07-18

## **Disclosure Statement:**

Disclosure Note:

This document, authored by Vamsi Gonella, presents the 'Sanskara Filter', a dharma-based projection ethics framework.

It is publicly disclosed as a standalone ethical system.

It forms part of a broader intellectual framework titled 'ForkBank', which includes mechanisms for idea evolution,

emotional fork recognition, and simulation. ForkBank is retained under private disclosure for future patent filing.

This document constitutes prior art for the public ethical filter but does not include core ForkBank mechanisms.
